Matthew Fryett	B.Bus. CPA MBA Formerly Commercial Manager, Australian Paper's Tasmanian Mills and Financial Controller of Robert Limited. Director Braddon Business Centre

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

Principal Activities

The principal activities of Health Care Insurance Ltd during the financial year consisted of provision of private health insurance to eligible members.

There have been no significant changes in the nature of Health Care Insurance Ltd's principal activities during the financial year.

Objectives

Short Term Objectives

In the short term membership growth will be less than 5%.

Following the restructuring that has occurred during 2009/10 with Forestry Timber and Paper the short term focus of the fund is to continue support its existing members and expand the membership base geographically.

Long Term Objectives

The Long term objective of the fund is to ensure the ongoing viability of the fund and to continue to provide affordable health insurance to people in the forest, timber and paper sector through sound investment management and membership growth.

Directors' Report

For the Year Ended 30 June 2010

Strategies to Achieve Objectives

Continue to communicate with our existing membership base.

Promote the benefits of private health insurance and Health Care Insurance to the potential members and organizations who have an association with Forestry, Timber and Paper.

Auditors Independence Declaration

The lead auditors independence declaration for the year ended 30 June 2010 has been received and can be found on page 4 of the financial statements.

This statement should be read in conjunction with the accompanying notes

Notes to the Financial Statements

For the Year Ended 30 June 2010

1 Statement of Significant Accounting Policies

(a) General information

Health Care Insurance Ltd has elected to early adopt the pronouncements AASB 1053: Application of Tiers of Australian Accounting Standards and AASB 2010-2: Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements to the annual reporting period beginning 1 July 2010.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards' reduced disclosure requirements of the Australian Accounting Standards Board and the Corporations Act 2001.

Australian Accounting Standards set our accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are set out below and have been consistently applied unless otherwise stated.

The financial statements have been prepared on an accrual basis and is based on historical cost, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

(b) Revenue Recognition

Member contributions are recognised when payment for health insurance cover falls due in accordance with the terms of the membership conditions. Contributions include the 30% Government rebate. Contributions paid by members in advance of the due date are shown as a liability. Interest is recognised as it accrues.

Other revenue items are recognised upon receipt. All revenue is recorded net of GST.

(c) Income Tax

The Company is exempt from income tax under section 50-30 of the Australian Income Tax Assessment Act 1997, as amended. Accordingly, no income tax expense or provision for income tax has been included in the financial statements.

(d) Health Benefits Risk Equalisation Trust Fund

All health insurers must participate in the Risk Equalisation Trust Fund, which shares a proportion of the hospital and medical claims of all persons aged 55 years and over and those memberships with high claims in any one year between all health insurers.

The amount payable to or receivable from the Risk Equalisation Trust Fund is determined by the Private Health Insurance Administration Council (PHIAC) after the end of each quarter. Estimated provisions for amounts payable or receivable are provided for periods for which determinations have not yet been made.

(e) Cash

For purposes of the statement of cash flows, cash includes cash on hand, cash at bank and deposits at call net of outstanding bank overdrafts.

Notes to the Financial Statements

For the Year Ended 30 June 2010

(f) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST, as are operating items in the statement of cash flows.

(g) Property, Plant and Equipment

Property, plant and equipment are stated at the lower of cost less depreciation or net realisable value. With the exception of freehold land, property, plant and equipment are depreciated over the expected useful life of each asset using the straight line basis.

The carrying amount of property, plant and equipment is reviewed annually by the board of directors to ensure that it is not in excess of the recoverable amount of these assets. The recoverable amount of an asset is the net amount expected to be recovered through the net cash inflows arising from its continued use and subsequent disposal. In determining the recoverable amount of non-current assets the expected net cash flows have not been discounted to their present value.

The estimated useful lives used for each class of depreciable assets are:

Furniture and fittings	10 - 20 years
Motor vehicles	7 - 10 years
Computer and electronic equipment	3 - 4 years

(h) Employee Entitlements

Liabilities for salaries, wages and annual leave are recognised and measured as the amount unpaid at the reporting date at current pay rates in respect of the employee's service up to that date. Provision is made for long service leave for all employees after the completion of seven years service. An assessment of the financial impact of expressing the provision using the present value basis of measurement indicated that the method currently used is more prudent, but not materially different. This assessment will be undertaken each time the Company prepares financial statements.

(i) Provision for Outstanding Claims

The Company makes provision for claims received but not assessed and claims incurred but not received at year end. The amount of the provision is based on historical patterns of claim incidence and processing. No discounting is applied to the provision due to the generally short period between claim incidence and settlement.

Directors' Declaration

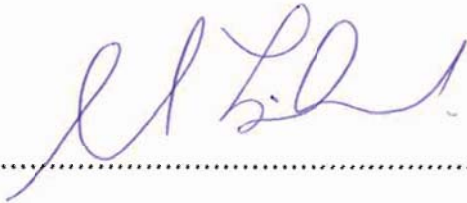

For the Year Ended 30 June 2010

The directors of the Company declare that:

1. The financial statements and notes, as set out on pages 5 to 15, are in accordance with the Corporations Act 2001 and:
 - (a) comply with Accounting Standards and the Corporations Regulations 2001; and
 - (b) give a true and fair view of the financial position as at 30 June 2010 and of the performance for the year ended on that date of the Company.
2. In the directors' opinion, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Mark Fishwick
Director

Burnie

Dated:

INDEPENDENT AUDITOR'S REPORT

To the members of Health Care Insurance Ltd

We have audited the accompanying financial report of Health Care Insurance Ltd, which comprises the statement of financial position as at 30 June 2010, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the directors' declaration

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the Corporations Act 2001. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001.

Auditor's Opinion

In our opinion:

- (a) the financial report of Health Care Insurance Ltd is in accordance with the Corporations Act 2001, including:
 - (i) giving a true and fair view of the company's financial position as at 30 June 2010 and of its performance for the year ended on that date; and
 - (ii) complying with Australian Accounting Standards – Reduced Disclosure Requirements and the Corporations Regulations 2001.
