THINGS YOU NEED TO KNOW

This policy excludes:	
Pregnancy and birth	
Assisted reproductive services	
Weight loss surgery	
Insulin pumps	
Pain management with device	

This policy includes restricted cover for:

Rehabilitation

Hospital psychiatric services

RESTRICTED SERVICES

A Restricted Service is where we pay the minimum benefit set by the Government towards hospital accommodation.

On restricted services you are likely to have out-of-pocket costs. For Restricted Services as a private patient in a public hospital, we will pay minimum shared room benefits. If you're treated in a private hospital for a Restricted Service, you may incur substantial out-of-pocket expenses.

EXCLUDED SERVICES

An Excluded Service (as listed above) is a service that we won't pay any benefits towards, including any hospital accommodation or medical services.

Waiting Periods

A waiting period applies when you join HCi, or change your cover to include new or upgraded services. We won't pay benefits for relevant items while you are serving a waiting period.

Transferring from another health fund? We'll look after you when you transfer to HCi by honouring any waiting periods you've already served on equivalent cover. If your transfer includes an upgrade of cover, then the waiting periods below will apply to any new or upgraded services.

12 months	for pre-existing conditions
2 months	for palliative care, rehabilitation and hospital psychiatric treatments, even if pre-existing condition
2 months	for all other treatments

Pre-Existing Conditions

Pre-existing conditions are ailments, illnesses or conditions where signs or symptoms existed during the 6 months prior to joining HCi (or upgrading your cover).

This is the amount you pay towards any (same-day or overnight) hospital admission before we pay any benefits.

Generally, the higher your excess, the lower your premium. The excess applies per adult, per calendar year. Some hospitals may require you to pay the excess at the time of admission. HCi waives the excess for any dependants on your policy under the age of 18.

Medicare Levy Surcharge (MLS)

This policy exempts you from the MLS.

Hospital Accommodation Costs

HCi covers you for up to 100% of accommodation costs and theatre fees on eligible services in contracted hospitals and day surgery facilities in Australia.

This policy also covers eligible travel and accommodation costs outside of hospital.

Hospital Network Access

HCi has agreements with more than 500 private hospitals and day surgery hospital facilities around Australia. For a comprehensive list of our contracted hospitals in your local area visit hciltd.com. au/search-hospital.

Remember that for Australian residents, Medicare covers public hospital treatment and emergency patients normally go to a public hospital with Intensive Care Units.

Medical Costs

Under the Commonwealth Medical Benefits Schedule (MBS) fees are determined and accordingly split between HCi and Medicare.

Between HCi and Medicare, we cover 100% of the MBS. Prior to treatment it is imperative to discuss with your doctor if there will be any out of pocket expenses. If your doctor charges over the MBS, fee HCi cannot cover these expenses.

Gap Costs

In the event you need specialist care in hospital, your doctor can use HCi's Access Gap Cover. Access Gap is a simple billing system that aims to eliminate out-of-pocket expenses all together, or, reduce them considerably. Through Access Gap your doctor can let you know exactly what you have to pay prior to treatment.

What's Not Covered?

- Outpatient services including treatment received in an emergency department or within a doctor's room operated outside of a hospital. Your hospital cover does not cover you until you are 'admitted' to hospital
- Cosmetic surgery
- Extra services beyond the hospital treatment plan
- Personal expenses while in hospital, such as phone calls, newspapers and TV rental
- Hospital expenses where the professional services performed are not eligible for Medicare
- Pharmaceutical items supplied or prescribed on discharge
- Medical Gan
- Surgically implanted prostheses gap

Always check with the hospital and your doctor before a hospital booking to ensure you will be covered and to discuss what costs you may incur.
