

Sandhya Chakravarty

Candidate Statement to HCI Members

As an HCI member, I seek your support for election to the position of Director of our Company.

My key capabilities are -

- I am particularly astute at balancing strategic planning and business partnering within an ethical framework that is robust, compliant and prudent.*
- I am driven by performance and outcomes. At Board level this means commitment to enhancing value to the organisation and all its stakeholders diligently, sustainably and prudently.*
- My leadership presence is underpinned by values of respect, diversity and authenticity. I strive to create partnerships and influence stakeholder groups through collaboration to achieve mutually successful outcomes.*

I have more than 25 years of Australian and international executive experience with organisations such as State Trustees Limited, Australian Red Cross, Boston Consulting Group, Bristol-Myers Squibb, and Ingersoll-Rand. My track record also includes a deep understanding of a range of industries, not-for-profit and government sectors.

*I currently hold directorships (with committee memberships) at **Southern Metropolitan Cemeteries Trust (Chair of Audit and Risk), International Women's Development Agency, and Pegasus Business Systems Pty. Ltd.***

My previous Board roles were at Link Community Transport (Chair of Audit and Risk), Eating Disorders (Vic), National Association of Women in Operations and Australian Red Cross Blood Service.
